- Gujrati

EXPERIENCE

Web Development Intern
Digital Edge Technologies / Mumbai / 15th May, 2019 to 25th June, 2019
Web Designing and other miscellaneous jobs like testing, debugging, content writing and many more were assigned to me during the course of the internship.

- Designing the front end of websites.
- Testing of website and mobile applications.
- Debugging solutions for websites.
- Copy content writing for social media posts.
- Designing logos.
- Creating and providing HTML emailers for clients.
- Maintaining the records and documentations.

I also have experience working on micro level projects for different clients.

I also have experience leading TechShala (Institute Level Technical Council) for the year 2019-2020 during my diploma course.
